

# ROCKET REVIEW

## PROVIDENCE SPRING ELEMENTARY

NOTES FROM  
PRINCIPAL  
ARMBRUSTER

### NOVEMBER 2ND - K-5 RETURN - A/B ROTATIONS

Back-to-school routines under COVID-19 look different from previous years. Parents can help children feel optimistic by listening to and validating their worries, teaching them coping strategies, reviewing safety protocols, and supporting them when they face difficulties. At PSE, we are committed to a safe return. Our children are returning to school for the first time since March or for the first time at PSE! We will teach classroom routines and safety precautions. If your child is returning to school, we encourage you to watch these videos (linked to the right) with your child prior to re-entry.

For our students and families staying remote, we are committed to keeping engaged with you during this time. We ask all of you for patience and grace as we navigate these uncharted waters.

**Rockets Strong,  
Masks On!**

### SCHOOL-WIDE PAIDEIA SEMINAR - NOVEMBER 23-24

Our school will hold a virtual seminar on the two days before Thanksgiving break. Paideia's philosophy is based on the belief that schools can be informal and individualized, yet still educate well. We believe that a quality education acknowledges the innate curiosity of children and their desire to understand and master their environment. Teaching our children through civil discourse will support honest and open discussions based on text evidence. PSE staff are dedicated to listening and validating students' feelings while teaching them coping strategies when faced with difficulties through a variety of texts.
